

Your *local* experts  
providing security for  
the modern world

There's no substitute for having peace of mind that your home and loved ones are protected. As an authorized alarm.com dealer, Armada Global's systems are engineered for security. Using the most reliable and secure communications and advanced tamper-resistant technology, you can rest assured that your home will stay protected.

- *Reliable & fast cellular communication, no landline needed.*
- *In the event of a power outage, your system will operate on backup battery power for 24-hours so you stay secure.*
- *24/7 Emergency Response*
- *Tamper-resistant technology*
- *Real-time alerts, even when the system is disarmed*
- *Remote control via mobile app*
